26<sup>th</sup> of August 2022,

To whom it may concern,

I am very pleased to recommend Mr. Chamod Sandaru and I have worked with Mr. Chamod on a freelance basis over last 2 years of time.

Through I have communicated with Mr. Chamod over the phone, email and virtual media yet I have known him/her as a professional web developer with solid knowledge on web content management, project management and for excellent work ethics.

I have worked as a client of him for my company website <https://www.crystallankatours.com/>, he completed the website as promised. He finished the web project as per our deadline and used latest technologies while building the website.

Mr. Chamod has a strong sense of responsibility and attention to detail which helps our project to be complete and deploy within short time period. Currently he is supporting our company from content management, domain management, Web hosting management and troubleshoot issues on our website.

I highly advocate for Mr. Chamod Sandaru for any web related position in your company and hope his skills will recognized at your organization. For doubts please contact me through +94 776787351 or email me at [crystallankatours@gmail.com](mailto:crystallankatours@gmail.com).
